

Mifflinburg Bank & Trust Newsletter

4th Quarter, 2019

Congratulations to Andrew Richard on His Promotion to Credit Analyst!

Andrew started his career at the bank in September of 2017 as a Mortgage Loan Processor. His interest in finance and banking stems from an interest in fantasy sports analytics, which branched into investment analysis in college. He graduated from Susquehanna University in 2010, where he majored in

Business Administration. Andrew is excited for the opportunity to follow his passion of analysis and equations in his new role as Credit Analyst. He currently lives in Lewisburg with his wife, Elaina. They will be celebrating their 1 year anniversary on December 1st!

Congratulations to Jenna Booth on Her Promotion to Loan Servicing Representative!

Jenna started with the bank in March of 2018 as a Teller at the Mifflinburg office. She graduated from Shikellamy High School in 2014. Prior to working at the bank, Jenna earned her CNA and began working with special needs children and adults through Bayada and UCPC agencies. Outside of work she is a

member of Harvest Bible Chapel. She takes great joy in helping the youth there. Jenna loves her cat, making others smile, running, and spending time outdoors. Her love of math and new opportunities makes her excited for her new position in loan operations.
